

## Material Safety Data Sheet

### Antifoam DS-9000

#### 1. Product and manufacture information

##### Product and manufacture information

**Product name :** Antifoam

**Manufacture:** Shandong Jufu Chemical Technology Co.,Ltd

**Address:** Bld.4-1001, No.2177, Tianchen Rd., Jinan, Shandong, China

**Product No. :** DS-9000

**Tel:** +86 0531 88987705

**Fax:** +86 0531 88987705

**Email:** info@jfchemtech.com

**Website:** www.jfchemtech.com www.jufuchemtech.com

#### 2. Distinguish ingredient date

Name	CAS No.	%content
Polyoxyethylene ether	9004-95-9	99%
Stearic acid ester	26855-43-2	1%

#### 3. Distinguish Harm Date

**Intrusion pathway:** inhalation, ingestion

**Health hazards:** may cause upper respiratory tract allergies, A large intake may irritate the gastrointestinal tract.

**Environmental hazards:** Non-toxic and harmless

**Burning explosion hazard:** non-flammable / No explosion hazard

#### 4. First Aid

##### Measure Skin:

Discard any dirty or soaked clothing, Wash the skin with plenty of water and soap.

##### Eyes:

Wash your eyes open with plenty of water immediately, and consult your doctor if necessary.

##### Inhalation:

Move to a fresh air pollution area.

##### Ingestion/eating:

Try to spit out, drink plenty of warm water or milk. If necessary, consult your doctor.

#### 5. Fire Fighting Measure

**Fire extinguishing agent:** foam, carbon dioxide, dry powder or soil. Precautions

---

For fire Fighting work: N/A

---

## 6. Leak disposal

### Precautions:

Cut off the power supply and leave the contaminated area safe place.

### Cleanup method:

Residues are collected in tight containers. Sand cover, activated carbon or other inert materials on the residue

---

## 7. Storage and Handling Precautions

### Operational notes:

Make sure there is adequate ventilation.

Keep away from fire and oxides. do not smoke.

### Storage notes:

Store in a cool, airy warehouse. Keep away from heat and fire. Keep container spacing and away from oxides. Sparks are prohibited. Accidental release protection measures should be provided at the warehouse.

---

## 8. Exposed Preventive Measure

### Respiratory protection:

If the vapor concentration is too high, wear a respirator.

### Eye protection:

Eye/face protection glasses.

### Hand protection:

Wear protective gloves.

### Other protection:

It is forbidden to smoke, ingest and drink in the workshop

---

## 9. Physical and Chemistry Properties

**Physical state:** Colorless to light yellow

**Color:** Colorless Transparent

**PH value:** 6.5 ~ 8.0

**Vapor density:** N/A

**Natural temperature:** N/A

**Density <water=1>:** N/A

**Flash point:** N/A

**Solubility in water:** N/A

---

## 10. Stability and Reactivity

**Stability:** Stored at room temperature, stable in handling and use.

**Decomposition substance:** N/A

---

## 11. Toxicity Data

N/A

---

## 12. Ecology Data

N/A

---

## 13. Waste Disposal

---

Waste treatment company

---

**14. Transportation**

**Data wrapping method:**

The product should be packaged in a clean, dry, well-sealed plastic bucket

---

**15. Suitable Rule of Law**

N/A

---

**16. Other date**

N/A

---
